

Diamond Hill CDD

Vision and Mission Statement

Vision:

To make and/or maintain the Diamond Hill Community Development District (“CDD”) as a preferred and financially viable, physically attractive community within Hillsborough County.

Mission Statement:

Our mission is to work for and in the best interest of the Diamond Hill community.

To work in observance of and within the boundaries set by Chapter 190, Florida Statutes, and other Florida laws governing community development districts.

To provide management and sound fiscally conservative measures to ensure the timely payment of CDD obligations, including the outstanding bond principal.

To maintain in good order and state of repairs all infrastructure owned, operated and maintained by the CDD, including:

- Common areas and landscape tracts
- Stormwater management ponds

To keep the community informed of the commitments, activities, goals and objectives of the CDD Board of Supervisors.
